Save Your Worn Tires

You Can Get 5,000 to 10,000 More Miles
out of them by using Gates Half-Sole Tires.
We will put them on for you and change your old tires
into new ones at about one-half the price you would
have to pay for new tires.

Your tire comes into our plant worn and scarred
from service, and we deliver it back to you—the same
time-made overture and with a brand-new non-skid
tread of fresh rubber. Not a square inch of your old
tire will be in sight, and you will not be able to tell it
from a new tire.

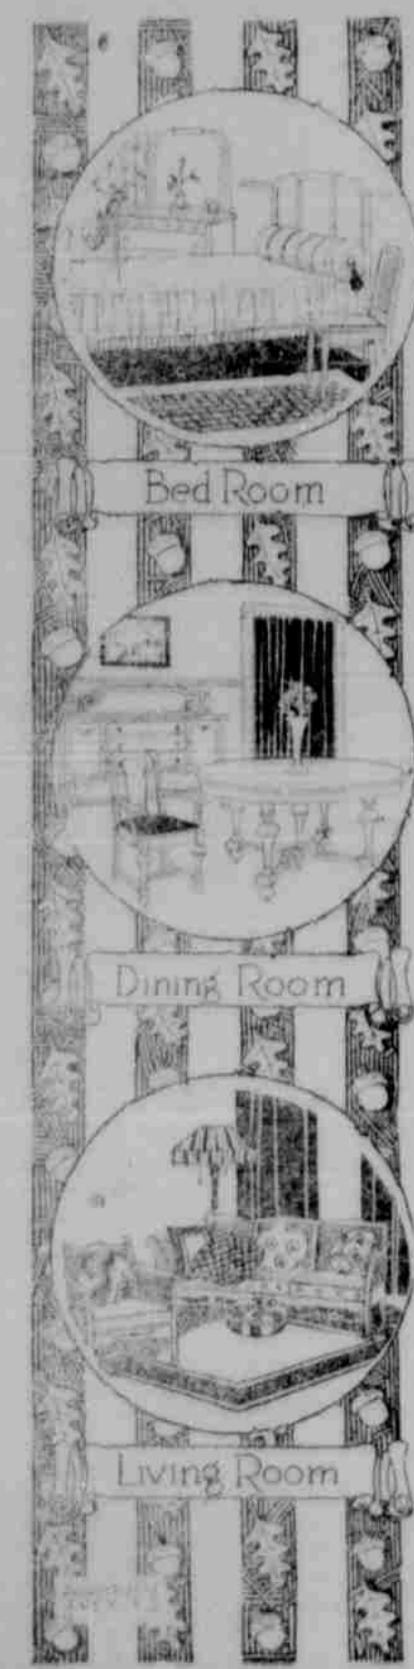

GATES HALF-SOLE TIRES

Are absolutely guaranteed for 2,000 miles of wear without a
puncture. If you are getting them from us, you can get
them for less than half the cost of new tires. You can't
get this kind of guarantee anywhere else. We have
over 100 miles Miss Gates' tires in stock, so you are
guaranteed that she is definitely balanced.

LET US SHOW YOU
Don't think away—call for a free test until you have investigated
the Gates Half-Sole. If you are paying the tire bills you will be interested and we are ready to show you how to keep in your own pocket a big part of the cost of new tires and get better tire service
than you have ever had before. We guarantee it.

HOME ECONOMICS CLUBS

WEEKLY LESSON ISSUED BY MRS. J. L. LANDRUM, ORGANIZER
AND SUPERVISOR FOR THE STATE DEPARTMENT OF AGRICULTURE OF GIRLS' CLUBS IN HOME ECONOMICS AND
CANNING.

ed in our club work. Look here Miss Landrum, you return to Africa as possible, the present domestic situation, different from the club girls' activities, will be as blind as to work out as in working with girls. I hope with us, I hope to have the pleasure of meeting her soon.

Mrs. Miller Chundagian of Corpus Christi and the author are very good indeed. Mrs. Miller Chundagian of Corpus Christi sends in a wonderful report of what she has been doing there. Several hundred units of work have been organized. I think she is making carbon delicious products have been conserves on their communities, besides a great deal of war work done. I am sure that Mrs. Chundagian is moving in another portion of the state, but I do not know where she will continue to be in contact with the girls.

Miss McWilliams is doing well in another portion of the state, but I do not know where she will continue to be in contact with the girls.

Thomas Jones, secretary of the St. Louis Girls' Club, writes the author letters about their club. Thomas Jones is a young girl who has been in the club since its organization. She is 15 years old and of this progress in their club she says, "In fact all the girls are pleased because of their club work and want to help the band members over again so they will be ready for the Armistice and their discharge.

I think the club girls over the state will be anxious to hear that Miss Stevens' birthday is Aug. 16, in which case we will be able to reach them on account of the health of her mother. The Allen Club will certainly have her birthday.
